PROPERTY PROFILE

72 Voortrekker Street will serve future residents, surrounding households, businesses, government-service visitors and daily commuters seeking convenient access to retail, services, parking and well-located urban living. The planned apartment component will create a built-in residential community that supports the existing retail and office environment.

LSM & Demographic Profile

Predominantly middle- to upper-income households within the Edenvale, Eastleigh, Edenglen, Greenstone and wider Ekurhuleni catchment. The area includes established residents, working professionals, entrepreneurs, and commuters who value secure, convenient and well-located accommodation.

Residential Demand Drivers

- Central Edenvale CBD location
- Voortrekker Avenue visibility and access
- Existing retail and office activity
- Eden Mall and surrounding schools

Development Positioning

The future apartment component will reposition 72 Voortrekker Street from a retail and office property into a stronger mixed-use destination, supporting everyday living, services and convenience in one address.
